## Women's Health and Wellness Clinical Leadership Forum

ACNC hosts quarterly clinical leadership forums to give providers the opportunity to engage with our clinical and behavioral health leaders to discuss quality improvement activities, associated challenges, and best practices related to quality and population health outcomes. These virtual lunch and learn sessions are open to ACNC providers and staff.

Our next forum will be held on June 14 from noon to 1 p.m. and will focus on Women's Health and Wellness, including the following topics:

- Prenatal and Post-partum Care
- Screening for Cervical Cancer, Breast Cancer, and Chlamydia
- Bright Start® Maternity Care Program
- Prenatal Quality Enhancement Program (PQEP) and Resources
- Best Practice Spotlight featuring an ACNC network provider
