Physical health services, behavioral health services and Long-Term Services and Supports (LTSS)

For prior authorization, Monday through Friday, 8 a.m. to 5 p.m. ET, except on North Carolina holidays, call: 1-833-900-2262

Prior authorization fax: 1-833-893-2262

Admission notification fax: 1-833-893-2262

Discharge planning (or concurrent review) fax: 1-833-894-2262

Providers can also use Jiva for online prior authorization via our secure provider portal (NaviNet) by going to www.navinet.navimedix.com.

For prior authorizations after hours, weekends and holidays, call Member Services at 1-855-375-8811.

For pharmacy prior authorizations after hours, weekends and holidays, call Pharmacy Member Services at 1-855-375-8811.

This list is subject to change. If you do not see the service you are seeking, please call Provider Services at 1-888-738-0004 for the most up-to-date prior authorization information.

Referrals

AmeriHealth Caritas North Carolina does not require referrals.

Prior authorization

A member does not need authorization to see a primary care provider or to go to a local health department.

Physical health care services requiring prior authorization:

• All out-of-network services, excluding emergency services
• All services that may be considered experimental and/or Investigational
• All miscellaneous/unlisted or not otherwise specified codes
• All services not listed on the AmeriHealth Caritas North Carolina Fee Schedule
• Out-of-network specialty visits
• Elective air ambulance

Inpatient services:

- All inpatient hospital admissions, including medical, surgical, skilled nursing, long-term acute and rehabilitation services
- Behavioral health
- Obstetrical admissions, newborn deliveries exceeding 48 hours after vaginal delivery and 96 hours after cesarean section
- Medical detoxification
- Elective transfers for inpatient and/or outpatient services between acute care facilities
- Long-term care initial placement (while enrolled with the plan — up to 90 days)

- Gastroenterology services (codes 91110 and 91111 only)
- Gender reassignment services
- Genetic testing

Home-based services:

- Home health care (physical, occupational and speech therapy) and skilled nursing (after six combined visits, regardless of modality)
- Home infusion services and injections (see pharmacy list of HCPCS codes that require prior authorization)
- Home health aide services
- Private duty nursing (extended nursing services)
- Personal care services
- Hospice inpatient services

Termination of pregnancy

- First- and second-trimester terminations of pregnancy require prior authorization and are covered in the following two circumstances:
  - The member’s life is endangered if she were to carry the pregnancy to term
  - The pregnancy is the result of an act of rape or incest
- Submit the physician’s certification on the Abortion Justification Form and the complete medical record. The form must be completed in accordance with the instructions and must accompany the claims for reimbursement. All claims and certification forms will be retained by the plan.
Termination of pregnancy (continued)

• Submit the Abortion Justification Form with the claim for reimbursement. The Physician’s Abortion Justification Form must be submitted in accordance with the instructions on the certification/form. The claim form, medical records and Abortion Justification Form will be retained by the plan.

Therapy (speech, occupational, physical)

Speech, occupational and physical therapy require prior authorization after initial assessment or reassessment. This applies to private and outpatient facility-based services.
