AmeriHealth Caritas North Carolina invites you to join a continuing education session:

Behavioral Health Boot Camp: Fall Series

AmeriHealth Caritas North Carolina is partnering with Southern Regional AHEC to provide Project ECHO Behavioral Health Boot Camp.

All types of providers are invited to participate in our FREE ECHO Behavioral Health Boot Camp training series — behavioral health care providers, pediatricians, family practice clinicians, OB/GYNs, local health departments, rural practices and federally qualified health centers (FQHCs). Scan the QR code to register. Register once to attend the complete series.

Offered on Wednesdays from October to December 2026, from noon until 1 p.m.

During each session, we will share best practices and practical strategies for supporting members with their behavioral health needs around the topics below.

October 14, 2026
Anxiety and Depression in Children and Adolescents

October 21, 2026
Strategies for Medical Settings – Autism in Primary Care

November 4, 2026
Suicide Risk Across the Lifespan

November 18, 2026
Serious Mental Illness and Psychosis

December 2, 2026
Trauma and Adverse Childhood Experiences (ACEs)

December 9, 2026
Working With Difficult Patients

Participants who complete components of this series can earn continuing medical education (CME) credits through Southern Regional AHEC.
